Subject: Declaration of REACH Compliance

Dear Customer,

embeddedTS is aware of the European Union Directive 1907/2006 on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and subsequent revisions. The regulation requires the identification of Substances of Very High Concern (SVHC) contained in articles above the threshold 0.1% w/w manufactured and marketed in the EU.

Under the structure of the REACH regulation, our company is a manufacturer of "ARTICLES" only, where "articles" are defined as "an object which during production is given a special shape, surface or design which determines its function to a greater degree than does its chemical composition". We do not manufacture "substances" or preparations and our articles do not involve the "intentional release of substances".

We hereby send you information related to REACH regulation (Regulation (EC) No. 1907/2006). In accordance with Article 33(1) of the REACH regulation, this communication applies to the below-referenced Product(s) and all customized derivatives of these products included with this declaration. REACH candidate list of SVHC declarations include all substance names that were included up to that date of inclusion listed above. <https://echa.europa.eu/candidate-list-table>

embeddedTS believes that the information it provides above is accurate. The provided information is based upon data obtained from ongoing due diligence concerning goods and materials provided by third party suppliers. embeddedTS provides such information "AS IS", without any express or implied warranty of any kind. embeddedTS reserves the right to update and modify this communication, as it believes necessary or appropriate.
