Subject: Declaration of RoHS Compliance (RoHS 3)

Dear Customer,

embeddedTS is aware of EU RoHS, the European Union Restriction of Hazardous Substances Directive (Directive 2011/65/EU, or “RoHS 2”), which restricts the use of certain hazardous substances in electrical or electronic equipment. The Directive was amended by Directive 2015/863/EU, which increased the list of restricted substances from six to ten (the amended version continues to be called “RoHS 2” or “RoHS 2, as amended”, also sometimes referred to as RoHS 3) and is making an effort to ensure that all of the components used in our products are compliant with this standard.

The EU RoHS Directive may be found here:
